

## Work Study Request 2012-2013

The Board of St. John Vianney High School has made tuition assistance available for families who wish to have their son participate in the work study program. Students work on campus during the summer; the money they earn is credited toward their tuition.

To apply for a work study position, please follow these two steps:

- Complete this Work Study Request Application and return to Mrs. Janet Cochran in the Business Office by March 1, 2012.
- Complete the FACTS application online at [www.factstuitionaid.com](http://www.factstuitionaid.com). The Vianney website also has FACTS under the "Parent" link.

The number of available work study positions is limited. Applicants who are accepted will be notified by May 15, 2012.
